

June 4th

@ 3pm

PORTLAND STAGS

PROFESSIONAL ULTIMATE FRISBEE

June 4th is our Science and Technology night. We have teamed up with Free Geek, Roswell Flight Test Crew and *FIRST*[®] in OREGON to bring you a fun, family-friendly experience. Free Geek will be hosting a donation drive. World Champions Hot Wired Robotics will demo their *FIRST* Tech Challenge robot and will bring the LEGO Fun Table. The Roswell crew will be out with their drones doing some filming as well as running a drone obstacle course during halftime. In addition to being superb athletes, the Stags value being active in the community. They give skills clinics and make appearances at schools and work places. Check us out at portland.stags.mlultimate.com for more information. Hope to see you out at the game!
